

ARLINGTON

H♥MECOMING FESTIVAL

The Arlington Homecoming Festival Committee would like to invite you to enter our parade on Friday, July 17, 2026.

The lineup will begin at 5:30pm with a parade starting time of 6:30pm. The lineup location for Car Clubs, Floats, Horse Drawn Units, and all miscellaneous parade participants will be at the Heritage Co-Op on East Sumner Street. Fire trucks are to meet on the West side of Main Street by the school. Every participant will be contacted no less than two weeks before the parade to be given direction as to which location you will need to be at.

The parade will start promptly at 6:30pm and travel North down Main Street (State Route 68). We will then turn onto Park Drive (entrance to Community Park), travel through the roundabout and disband at the South end of the park.

If you are planning to have candy or any items to pass out, you will need to have additional helpers walking alongside your unit to do so. We ask that you pass it out instead of throwing it from your unit to keep everyone safe as we don't want children running to grab candy with the moving parade vehicles.

Please note that we ask all animal groups to provide cleanup along the parade route as well.

If you have any questions, please contact our parade chairman, Junior Weihrauch. He can be reached anytime at 419-889-4315

Please fill out and return the bottom portion of this form for parade entry by July 14, 2026
